

## COMMENT FORM FOR NIRB SCREENINGS

The Nunavut Impact Review Board (NIRB) has a mandate to protect the integrity of the ecosystem for the existing and future residents of Nunavut. To assess the environmental and socio-economic impacts of the project proposal, NIRB would like to hear your concerns, comments and suggestions about the following project proposal application:

<b>Project Proposal Title:</b> <u>Connecting Snow Melt to River Discharge in the Kitikmeot Region and Northwest Territories</u>			
<b>Proponent:</b> <u>Fisheries and Oceans Canada</u>			
<b>Location:</b> <u>Kitikmeot Region</u>			
<b>Comments Due By:</b> <u>January 8, 2018</u>	<b>NIRB #:</b> <u>17YN074</u>		
<p><b>Indicate your concerns about the project proposal below:</b></p> <table style="width: 100%;"> <tr> <td style="vertical-align: top;"> <input checked="" type="checkbox"/> no concerns            water quality            terrain            air quality            wildlife and their habitat            marine mammals and their habitat            birds and their habitat            fish and their habitat            heritage resources in area         </td> <td style="vertical-align: top;">           traditional uses of land            Inuit harvesting activities            community involvement and consultation            local development in the area            tourism in the area            human health issues            other: _____            _____            _____         </td> </tr> </table> <p><b>Please describe the concerns indicated above:</b></p>   		<input checked="" type="checkbox"/> no concerns water quality terrain air quality wildlife and their habitat marine mammals and their habitat birds and their habitat fish and their habitat heritage resources in area	traditional uses of land Inuit harvesting activities community involvement and consultation local development in the area tourism in the area human health issues other: _____ _____ _____

<p><b>Do you have any suggestions or recommendations for this application?</b></p>   			
<p><b>Do you support the project proposal? Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> Any additional comments?</b></p> <p>The proposal has been reviewed to determine whether it is likely to result in serious harm to fish which is prohibited under subsection 35(1) of the <i>Fisheries Act</i> unless authorized. The proposal has also been reviewed to determine whether it is likely to affect listed aquatic species at risk, any part of their critical habitat or the residences of their individuals in a manner which is prohibited under sections 32, 33 and subsection 58(1) of the <i>Species at Risk Act</i>, unless authorized. Provided that the plans are implemented in the manner, and during the timeframe, described, the Program has determined that the proposal will not result in serious harm to fish or prohibited effects on listed aquatic species at risk. As such, an authorization under the <i>Fisheries Act</i> or a permit under the <i>Species at Risk Act</i> is not required.</p>
