Dear Ms. Arko,

**RE: KAHUNA PROJECT – COMMENCEMENT OF FIELD OPERATIONS – March 23, 2018**  
**NIRB File Number 15EN028**

---

This letter notifies NIRB that Dunnedin Venture's 2018 exploration program will be commencing the first phase of operations on March 23, 2018 under the terms and conditions of our existing authorizations. Drilling operations are scheduled to commence on March 28, 2018. Activities are expected to be completed by late-September, 2018.

Operations will be based out of Rankin Inlet. Camp operations will commence upon receipt of the NWB licence amendment to include camp water use.

Dunnedin has contracted Custom Helicopters for helicopter support. A red and white, AS350B2 helicopter with the call sign C-FCHO will be utilized. It will be based out of the Rankin Inlet Airport until operations move to the Kahuna Camp.
