

COMMENT FORM FOR NIRB SCREENINGS

The Nunavut Impact Review Board (NIRB) has a mandate to protect the integrity of the ecosystem for the existing and future residents of Nunavut. To assess the environmental and socio-economic impacts of the project proposal, NIRB would like to hear your concerns, comments and suggestions about the following project proposal application:

Project Proposal Title:	Churchill Marine Observatory – Environmental Observing (CMO-EO) System		
Proponent:	University of Manitoba		
Location:	Kivalliq and Qikiqtani regions		
Comments Due By:	April 23, 2018	NIRB #:	18YN016
Indicate your concerns about the project proposal below:			
<input type="checkbox"/> no concerns <input type="checkbox"/> water quality <input type="checkbox"/> terrain <input type="checkbox"/> air quality <input type="checkbox"/> wildlife and their habitat <input checked="" type="checkbox"/> marine mammals and their habitat <input type="checkbox"/> birds and their habitat <input checked="" type="checkbox"/> fish and their habitat <input type="checkbox"/> heritage resources in area		<input type="checkbox"/> traditional uses of land <input checked="" type="checkbox"/> Inuit harvesting activities <input type="checkbox"/> community involvement and consultation <input type="checkbox"/> local development in the area <input type="checkbox"/> tourism in the area <input type="checkbox"/> human health issues <input type="checkbox"/> other: _____ _____ _____	
Please describe the concerns indicated above:			
The HTO board of directors do have some concerns when there is a project proposal in and around/outside Repulse Bay as the marine mammals do come in Repulse Bay to give birth to their calves.			
Do you have any suggestions or recommendations for this application?			
Do you support the project proposal? Yes <input type="checkbox"/> No <input type="checkbox"/> Any additional comments?			
When there are project proposals, the board would like to receive them at least a month ahead before the deadline to comment.
