Dear Ms. Copeland,

Thank you for your kind words and congratulations on my appointment as Nunavut's Minister of Environment. I have a keen and vested interest in environmental issues and am excited to be able to bring my years of experience to this portfolio.

It is both an honour and privilege to work with and represent Nunavummiut on environmental issues that are important to our communities and our territory.

I too look forward to working collaboratively with the Nunavut Impact Review Board, as well as other the Institutions of Public Government, as we all have a role to play in ensuring that any proposed development as well as conservation and co-management of our precious renewable and non-renewable resources are in keeping with our guiding principle of Avatittinnik Kamatsiarniq.

I'd like to thank the Board and the staff at NIRB and wish everyone a safe and warm summer.

Sincerely,

Hon. Jeannie Hakongak Ehaloak
Minister of Environment
