Good afternoon,

This letter will serve to advise you that Glencore Canada Corporation (Glencore) will be resuming operations on or about September 20, 2018 at Hackett Camp (the 'Hackett River Project').

A maximum of 4 people will be on site. The camp will remain open for five days. Activities planned for this trip will include maintenance, environmental inspection and winter closure. As per the terms of various licenses, best management practices will be applied.

We currently anticipate closing Hackett Camp on or about July 24th and will advise you of the date as we complete our program.

Should you have any questions or concerns, please do not hesitate to contact me at [willowbrk@hotmail.com](mailto:willowbrk@hotmail.com), 905-623-4930.

Best regards,

Rob Davidson  
Site Manager Hackett River
