**Re: Land Use Permit Application ("Class A") for the Mel Property, Qikiqtani Region, Nunavut – North Arrow Minerals Inc.**

To whom it may concern,

Please find attached a duly completed land use permit application for North Arrow Minerals Inc.'s Mel Property, located in the Qikiqtani Region of Nunavut. This land use application is for the exploration of diamonds with a focus on diamond drilling, with potential for concurrent geophysics, soil sampling, geological mapping and prospecting. The proposed base of operations for the Mel field program will be a temporary exploration camp located near to the Property with helicopter-support. For the purposes of this application, North Arrow Minerals Inc. is seeking a Land Use Permit encompassing the above listed exploration activities as described in the following documents.

This application package includes:

- Completed land use application form
- Maps: Mel property location, land tenure and proposed work area (approximate)
- NIRB Project Specific Information Requirements, Part 1+2 Forms
- Non-technical Project Summary (with maps)
- Spill Contingency Plan
- Abandonment and Restoration Plan
