Good morning Solomon,

I have a few clarification questions/comments:

- Describe road maintenance procedures;
- Describe the type and source materials that would be used for the construction of the road;
- Indicate on the map:
  - locations of designated refuelling areas;
  - water crossings;
  - culverts;
  - quarries/borrow sources;
- Indicate the type of bridge is proposed;
- Describe bridge construction and maintenance;

If you have any questions or require any assistance please don't hesitate to contact myself directly by phone at (867) 983-5627 or by email at [tmaksagak@nirb.ca](mailto:tmaksagak@nirb.ca).
