Proposed Use of Local Knowledge:

---

Opportunities for Local Participation:

---

---

### Terms and Conditions

This application is submitted and will be evaluated prior to issuance of a Wildlife Observation Licence, as issued by the Wildlife Management Division of the Department of Environment of the Government of Nunavut. All submitted applications become the property of the Department of Environment and may not be returned to the applicant.

The application review process requires that copies be distributed to a number of reviewers. The contents of this application form may be subject to access under the *Freedom of Information and Protection of Privacy Act*.

The applicant must pay the required fee before the licence will be issued.

	Nunavut Resident	Non-Resident	Non-Resident Foreigner
Licence Fee	\$25.00	\$25.00	\$25.00
Licence Surcharge	\$75.00	\$150.00	\$150.00

<input type="text"/>	Date: <input type="text"/>

**RABIES ADVISORY:** Rabies is a naturally occurring disease that is endemic to wildlife, particularly canids, in Nunavut. Rabies can infect human beings, and if left untreated can cause death. All persons who may be exposed to rabies are strongly encouraged to obtain and keep updated with the pre-exposure vaccination.
