Dear Mr. Mayor:

**RE: NPC File # 148988 [Naujaat Community Access Trail]**

On January 14, 2019, Nunavut Planning Commission (NPC) issued a positive conformity determination for the above noted project proposal from the Hamlet of Naujaat and forwarded the proposal to the Nunavut Impact Review Board (NIRB) for screening.

On April 9, 2019, the NPC received a notice of inclusion to scope from the NIRB identifying "additional works or activities as being sufficiently related to the project to form part of it" and requesting "further direction from the Commission regarding whether the proposed project and updated scope of activities is in conformity with any applicable land use plans for the area." In order for the NPC to provide such direction, you will need to submit a proposal through the NPC's online application system (<http://lupit.nunavut.ca/portal>) to amend file 148988 outlining the additional scope of activities.

The previously reviewed project proposal may be found at this website:

Sincerely,

Peter Scholz  
Senior Planner,
