Resumption of Operations at Hackett River (Hackett River Project)

NWB License 2BE-HAK1621
AANDC License N2017C0007
KIA License KTL313C005

Good morning,

This letter will serve to advise you that Glencore Canada Corporation (Glencore) will be resuming operations on or about April 27, 2019 at Hackett Camp (the 'Hackett River Project').

A maximum of 7 people will be on site. The camp will remain open for 14 days. Activities planned for this trip will include maintenance, environmental inspection and removal of stored waste. As per the terms of various licenses, best management practices will be applied.

We currently anticipate closing Hackett Camp on or about May 10th and will advise you of the date as we complete our program.

Should you have any questions or concerns, please do not hesitate to contact me at willowbrk@hotmail.com, 905-623-4930.

Best regards,

Rob Davidson
Site Manager Hackett River
