Re: Screening Decision for Hurtigruten's "MS ROALD AMUNDSEN: Northwest Passage – In the Footsteps of Roald Amundsen" Project Proposal, Qikiqtani and Kitikmeot Regions

Dear Honourable Ministers:

On May 23, 2019 the Nunavut Impact Review Board (NIRB or Board) received a referral to screen Hurtigruten AS' (Hurtigruten) "MS ROALD AMUNDSEN: Northwest Passage – In the Footsteps of Roald Amundsen" project proposal from the Nunavut Planning Commission (NPC or Commission), with an accompanying positive conformity determination with the North Baffin Regional Land Use Plan.

Following the assessment of all material information provided, the NIRB is recommending that a review of Hurtigruten's "MS ROALD AMUNDSEN: Northwest Passage – In the Footsteps of Roald Amundsen" project is not required pursuant to paragraph 92(1)(a) of the *NuPPAA*.

Pursuant to its discretion under paragraph 92(2)(a) of the *NuPPAA*, the NIRB has determined that specific terms and conditions are appropriate for this project.

Accordingly, the NIRB is issuing the attached Screening Decision Report dated August 6, 2019 to the responsible Ministers. The Screening Decision Report provides, among other things, the regulatory framework, project overview and the NIRB's assessment process, factors relevant for the determining significance of impacts and recommended project-specific terms and conditions.

Please note that the project proposal will not be enclosed due to the size of the electronic document and the limited bandwidth. However, an electronic copy of the project proposal is accessible online from the NIRB's online public registry at www.nirb.ca/project/125470.

Please note that, the Board only directly addresses these notice letters to those individuals considered to be a "responsible Minister with decision-making authority" for the project as set out under the *NuPPAA*. However, regulatory authorities and other authorizing agencies associated with a proposed project (e.g. Regional Inuit Associations, Nunavut Water Board) will continue to be copied on the Notice of Release of the Screening Decision Report. The NIRB is providing these parties with notice and access to the Board's Screening Decision Report as required under s. 200(2) and in support of these parties in the fulfillment of their responsibilities under the *NuPPAA* and the *Nunavut Agreement* to address, and as appropriate, implement, to the fullest extent possible, any relevant NIRB recommendations contained in the Screening Decision Report.

We look forward to receiving a response from the responsible Ministers and the NIRB remains available for consultation with the Ministers regarding this report as necessary. If you have any questions or require clarification, please do not hesitate to contact the NIRB's Director, Technical Services, Tara Arko at (867) 983-4611 or tarko@nirb.ca.

Sincerely,

Kaviq Kaluraq
A/Chairperson
Nunavut Impact Review Board
