Dear Jaida,

Following internal discussions in regard to the comments received, Agnico Eagle Exploration Division is unable to provide its written response for the August 7<sup>th</sup> deadline, as it was planned. It has been determined that the response to this file should be postponed allowing to fully consider the comments received during the screening and also, to provide updated environmental management plans addressing potential environmental concerns associated with the proposed exploration program. Agnico Eagle Exploration Division is respectfully requesting to put this file on suspension under subsections 143(1-2).

Best Regards,

**David Frenette** Environmental Coordinator
