Importance: High

Hello,

Please note the approval for the NPP modification to sample in Crocker Bay from Global Affairs Canada and DFO.

Best,
Chris

Hi Chris,

Please see the response below from Global Affairs Canada **approving** the sampling location modification. Thanks so much, and please let us know if you have any questions.

Regards,
Matt

(July 15 - August 02 2019)

Good day all,

Please note that the request (attached) to add a sampling location (Croker Bay) to the Northwest Passage Project, has been approved as per the following rational:

The proposed mitigation plan, if marine mammals are seen to be present in the area of work, is acceptable; therefore DFO is pleased to convey that we have no objection to the request from the US-MSR ODEN to modify its original request .

Let me know if you have any questions or require additional information.

Regards,

Bachir El-Haddad
