**Re: Notice of Community Information Session in Igloolik Regarding NIRB's Monitoring of the "Mary River Iron Mine" Project (NIRB File No. 08MN053), February 14, 2020**

---

Dear Mr. Greg Morash:

As part of its monitoring function required by the *Nunavut Agreement*, the Nunavut Impact Review Board (NIRB or Board) is responsible to conduct biannual site visit of Baffinland Iron Mine Corporation's (Baffinland) "Mary River Iron Mine" project west of Pond Inlet. The NIRB will be in Igloolik on February 14, 2020 to host a community information session in order to provide interested residents with updated information about the ongoing monitoring of the Mary River Project. This letter is intended to provide notice to the Hamlet, Igloolik Working Group, and community members to attend the events and provide information on how community members can have their voices heard in the NIRB's various assessment processes. **Please post this letter in a public location to help inform residents.**

The NIRB's evening public information session will be on **February 14, 2020** at the Ataguttaaluk High School, with doors opening at **6:30p.m.**:

- NIRB staff presentation — to inform community members about the Board's monitoring function, provide an update on the monitoring of the Mary River Project, and explain how members of the public may participate in the NIRB's Monitoring process.
- Open question period — community members discuss comments or questions about the project with NIRB staff.

If you have any questions or require additional information, please contact Solomon Amuno, Technical Advisor II, at [samuno@nirb.ca](mailto:samuno@nirb.ca) or by phone at (867) 983-4603 or Cory Barker, Technical Advisor I, at (867) 983-4607 or via email at [cbarker@nirb.ca](mailto:cbarker@nirb.ca).

Sincerely,

Tara Arko  
Director, Technical Services  
Nunavut Impact Review Board
