**Subject:** Due Jan 20 NIRB 125492 / 19YN044: Notice of Screening and Comment Request for the University of British Columbia's "The effect of warming on aquatic invertebrates in the Kitikmeot" Project Proposal

08-Jan-2020

Dear Michelle Tseng:

Please see the attached correspondence from the Nunavut Impact Review Board (NIRB) regarding the University of British Columbia's "The effect of warming on aquatic invertebrates in the Kitikmeot" project proposal.

NIRB File No.: 19YN044  
Project Name: The effect of warming on aquatic invertebrates in the Kitikmeot  
Project Proponent: University of British Columbia  
Project Type: Research  
Location: Cambridge Bay, Kitikmeot Region  
Comments Requested by: January 20, 2020

The NIRB is copying parties potentially affected by this project and we invite interested persons to comment directly to the NIRB regarding:

- Whether the project proposal is likely to arouse significant public concern; and if so, why;
- Whether the project proposal is likely to cause significant adverse eco-systemic or socio-economic effects; and if so, why;
- Whether the project proposal is likely to cause significant adverse impacts on wildlife

habitat or Inuit harvest activities; if so, why;

- Whether the project proposal is of a type where the potential adverse effects are highly predictable and mitigable with known technology, (please provide any recommended mitigation measures); and
- Any matter of importance to the Party related to the project proposal.

You can submit comments to the NIRB by our online public registry at [www.nirb.ca](http://www.nirb.ca), via e-mail at [info@nirb.ca](mailto:info@nirb.ca) or via fax to 867-983-2594.

All documents received and pertaining to this project proposal can be accessed from the NIRB's online public registry at [www.nirb.ca/project/125492](http://www.nirb.ca/project/125492).

The NIRB has attached a Public Notice of Screening in English and Inuinnaqtun for interested parties and Municipalities to post on local bulletin boards within your community.

If you have any questions or concerns, feel free to contact Keith Morrison, Technical Advisor II, directly at (867) 983-4617 or [kmorrison@nirb.ca](mailto:kmorrison@nirb.ca).

Best regards,

Talia Maksagak  
Manager, Technical Administration
