RE: NPC File # 149273 [CAM-M Cambridge Bay Landfill Monitoring Program]

1. Renewal of water license NWB5CAM0520 2020-2030
2. Addition of more monitoring of existing landfill
3. Location: Kitikmeot Region; [Near Cambridge Bay]

The Nunavut Planning Commission (NPC) has completed its review of the above noted project proposal. NPC has determined that this project proposal is outside the area of an applicable regional land use plan. The above-noted project proposal is exempt from screening by the NIRB because the NPC is of the understanding that it does not change the general scope of the original project activities, and the exceptions noted in Section 12.4.3 (a) and (b) of the Nunavut Agreement do not apply.

This decision applies only to the above noted project proposal as submitted. Proponents may not carry out projects and regulatory authorities may not issue licenses, permits and other authorizations in respect of projects if a review by the NPC is required.
