**Subject:** Resolute Bay Type A Water licence renewal application

Good Morning Emily and Talia,

I did online application as suggested by NPC with the discussion with Talia. Currently I am on annual Leave until Feb.14,2020. I have very limited internet access.  
I am expecting to be in the office on Feb.17.

If you have any question on my file or need any additional information, I could be available to answer or submit at the end of the week of Feb.17. It means requires extension until Feb. 21,2020.

Please confirm this message.

Thanks.
