Date: Wednesday, March 25, 2020 6:58:56 AM

Good morning Erin,

Given the COVID-19 context and the fact many of Agnico Eagle's contractors, consultants and staff have had to transition to teleworking in recent days, and in some cases have had to halt or slow down their activities, Agnico Eagle would request a delay to submit the 2019 annual report by April 14th 2020.

Thank you in advance for your attention,
Sara

Good Afternoon Jessica,

Would you confirm that the 2019 Annual Report for the Meliadine Gold Mine Project will be submitted by March 31, 2020, as previously indicated? As you may be aware, there have been delays with the preparation of the Meadowbank/Whale Tail 2019 Annual Report as recently communicated to the NIRB. If the Meliadine team is having similar issues or expects a delay in providing the 2019 Annual Report, please let me know as soon as possible.

Thank you,

Erin Reimer
