Hello Bhabesh,

I hope everything is going well with you during this time of COVID-19.

The NIRB has received comments from Crown-Indigenous Relations and Northern Affairs Canada (CIRNAC) and Environment and Climate Change Canada (ECCC) on the Government of Nunavut – Community and Government Services’ “Renewal and Amendment of the Resolute Bay Utilidor System Water Licence #3 BM-RUT 1520 Type A for Ten (10) yrs. term” project proposal (NIRB File No.: 19WN050).

Please address comments provided by CIRNAC which can be found on the NIRB Public Registry (NIRB Doc No.: 328944).

In particular, please address the summary of points below (see the CIRNAC submission for the full comment) :

- Community Involvement – provide any information available for interactions with community representatives;
- Activities Location – clarify project location;
- Potential Environmental Impacts – clarify potential environmental impacts identified for the project;
- Potential Environmental Impacts – clarify mitigation measures proposed for each identified potential impact;
- Water Quality – clarify the determination of the project’s positive impact on water quality; and
- Sewage Treatment – Requested clarification on whether sewage is treated or analyzed in accredited labs in Ottawa.

Thank you,

Emily Koide
