**Government of Canada Information Requests for Agnico Eagle Mines Limited's Impact Statement Addendum for the "Saline Effluent Discharge to Marine Environment, Rankin Inlet, Meliadine Gold Mine" Project Proposal**

Dear Ms. Costello,

Thank you for your letter dated August 27, 2020, requesting interested parties to submit information requests for Agnico Eagle Mines Limited's Impact Statement Addendum for the "Saline Effluent Discharge to Marine Environment, Rankin Inlet, Meliadine Gold Mine" Project Proposal. The Canadian Northern Economic Development Agency's Northern Project Management Office (NPMO) is responding on behalf of federal departments including Crown Indigenous Relations and Northern Affairs, Fisheries and Oceans, Environment and Climate Change, Health, and Transport Canada.

The federal departments have reviewed the information in the Impact Statement Addendum provided by the proponent and have provided information requests in the following attachments.

The Government of Canada looks forward to continued participation in the Board's reconsideration process. If you have any questions or concerns, please contact Saba Qazi, Senior Project Manager, NPMO, at [saba.qazi@canada.ca](mailto:saba.qazi@canada.ca), (867) 975-1945.

Sincerely,

Adrian Paradis  
Acting Director General  
Northern Projects Management Office
