DÉTAILS

Description non technique de la proposition de projet

Anglais: We at HIKU Projects are looking to access to the Quarry at the Gravel Site, we would like to access is between West Arm and Gravel Pit. The site has been used in the past from Kitnuna. And the Quarry can be accessed by existing roads, and are looking to access 200x200 sq. meters and would access 1000 cubic meters for this season of 2020. And may require more in the upcoming seasons. What we are currently looking to access is Sand & Gravel. And would be going through N.I.R.B here in Cambridge Bay, if granted through your office.
