NIRB Chairperson

Mary River Expansion Project (H353004)

Support from our group of companies

Ms. Kaviq Kaluraq

We are pleased to confirm our full support from our group of companies to the Baffinland Iron Mines Corporation expansion project.

Northern Networks Limited is a proud 100% Inuit owned business and part of the EPLS group of Companies. Found and headquartered in Arviat, Nunavut, EPLS Group of Companies, consists of 7 companies and employs over 170 people.

Moreau Industriel is a well-established construction/maintenance company in the mining industry. We have been involved in Nunavut and Nunavik for more then 20 years with Agnico-Eagle (Meliadine/Meadowbanks) and Glencore Raglan operations through our northern partnership. (NNL-MOREAU and Nunavik construction)

Both companies and their group of enterprises support the expansion project and look forward to work with Baffinland Iron Mines Corporation for the development of the different communities surrounding the mine installation.
