Hi Cory,

DFO requests to withdraw the poster, labelled as [210118-08MN053-DFO Poster Re Narwhal-IMTE.pdf](#) on the NIRB Registry, related to narwhal and hormone levels. Unfortunately, there is an error on this poster that supports inaccurate conclusions of the research that was conducted.

Please let me know if there are any issues with this, or if you have any further questions.

Thanks,

Alexandra Sorckoff
