25/11/2019		Emails	Chest. In.	SGC - Marty Tunney Chest. In.- David Kattegatsiak CEDO Chest. In. - Greg Tanuyak / Recreation Coordinator	Marty reached out to make an annual Christmas Donation of \$2500. David K directed Marty to Greg T.	Email from Greg stating Work Program Hamlet of Chest. In. Recreation Department will be very happy to accept the donation of \$2500.00 from Solstice to go towards this year's Christmas and New Years' celebration.	Email and Cheque
26/11/2019		Email	KIA - Rankin	SGC - Marty Tunney KIA -Maria Serra	Maria Setup meeting for February 4, 2:00 pm with KIA	Work Program	Email
19/12/2019		Emails	Rankin RCMP	SGC - Marty Tunney RCMP - Hannah SikSik	Marty Tunney had made several phone calls and sent emails to the Deacon's cupboard in an attempt to make a donation with no response. He then reached out to Community members Noel Kaludjak and Sebastian Curley in an effort to track down a new contact. Both provided him with the RCMP. Marty left a vmail for Hannah and she responded on Dec 19, 2019. The RCMP runs a program where they provide non-transferrable vouchers to be used at local stores for non-tobacco products, to local families over the holidays. Cheque for \$2500 to be sent.	Donation	Emails and Cheque
13/01/2020		Emails	KIA LANDS	SGC - Marty Tunney KIA - Maria Serra	Marty asked to reschedule meeting booked for Feb 4 as Chest. In. was not able to make the timing work. Maria agreed and asked to give lots of notice.		Emails and Cheque
31/01/2020	All Day	In-person meeting	Chest. In. Mayor and CDO	SGC - Marty Tunney Chest. In.- David Kattegatsiak (CDO) Chest. In. - Bernie Aggark (Mayor)	Marty went to the northern lights conference (in Ottawa) to meet the new mayor. Spent a few hours in the afternoon meeting with the mayor and David and talking about the project. Bernie says he is pro exploration and pro mining, in a responsible manner. Believes it provides good jobs for the community. Plan to meet again in March in the community		Emails
13/03/2020		Emails	Chest. In. Mayor and CDO	SGC - Marty Tunney Chest. In.- David Kattegatsiak (CDO) Chest. In. - Bernie Aggark (Mayor)	The group had discussed a community visit for March 31, 2020. Shortly after Marty Tunney reached out to suggest delaying a visit due to covid. Bernie Aggark replied the community would be off limit is for non Chest. In. residents.		Emails
09/06/2020	11:00am	Phone call	GN - ED&T	SGC - Marty Tunney GN - Robert Connelly	Discussion around the summer program potential. Robert said the GN is supportive of exploration and is working with the chamber of mines and dept of public health to put protocols in place. Asked me to speak to chamber and said this is a top priority of the GN		Emails
16/06/2020	10:10am	Phone call	GN - ED&T	SGC - Marty Tunney GN - Robert Connelly	Further Discussion on the Access to community for summer program. Robert clarified that the protocols are in place and that the government will provide a draft letter for the communities to sign if they wish to allow access for summer exploration		Emails
24/06/2020	11:20am	Phone call	Chest. In. Mayor	Chest. In. - Bernie Aggark (Mayor) SGC - Marty Tunney	Marty and Bernie spoke about a summer 2020 program. Bernie told Marty that the community now has construction workers coming in to do work on the KIA buildings and waterlines. Bernie glad to see things moving forward in terms of work restarting. Marty told Bernie Solstice would like to run a small work program, Bernie was happy to hear that and agreed to sign a letter of support. Marty said he would forward to Bernie. Marty asked Bernie about staking a new claim and Bernie said he would need to get a map and would ask council. Bernie was not opposed to the idea.	Marty to send map and letter	
24/06/2020		Emails	Chest. In.	Chest. In. - David Kattegatsiak SGC - Marty Tunney	David sent Marty an email with a completed letter of endorsement for a summer 2020 field program.	Marty to update Chest. In. on progress with other communities in regards to summer program support	Emails
25/06/2020	10:30am	Phone call	KIA - Lands	KIA - Luis Manzo SGC - Marty Tunney	Marty had reached out by email several times to have a call with the Lands group regarding summer exploration. Luis says right now there is no exploration guidelines in place (regarding covid) for IOL lands and as such he cannot signoff. He thought it was positive that Chest. In. had provided an endorsement letter for SGC. He suggested I reach out directly to the senior officials at KIA and press my case. He suggested we could still work on the crown land in any event. He will let me know once they have any further news.	I agreed to let him know how my call with Harry Towtongie (Rankin Mayor) goes. Will follow-up with hi. Send email with request to KIA executives	Emails
25/06/2020	2:00pm	Phone call	Hamlet of Rankin	Rankin - SAO Morag McPherson SGC - Marty Tunney	Marty spoke with Morag McPherson and laid out our proposal for the summer work program. Morag said bottom line if our geologists go through the isolation, they will be allowed in. She said send draft endorsement letter and she will sign and Return immediately.	Marty will send draft letter over to Morag	Emails
26/06/2020	11:00am	Phone Call	KIA	KIA - Kono Tattuinee SGC - Marty Tunney	Marty and Kono had their first phone call since Kono was elected President of the KIA, and it was an introduction for both of them. Kono told Marty about his philosophy of running the KIA and that the organization is for the benefit of the people and he intended that it should be run that way. Marty told Kono about the history of Solstice and their desired plans for the summer 202 program. Kono was quite supportive of a 2020 field program and asked Marty to send an email outlining the details of the program,	Marty to send email request for support of a 2020 field program	
26/06/2020		Emails	KIA	KIA - Kono Tattuinee SGC - Marty Tunney	Marty sent Kono an email outlining their desired plans for a 2020 field program.		Emails

14/07/2020		Emails	Chest. In.	Chest. In. - David Kattegatsiak SGC - Marty Tunney	David K emailed Marty requesting a power point presentation of Solstice Gold Inc. mineral exploration project 2020 that he can share with to Aqigiq HTO and general public. Marty replied to email and provided the PPT.	PPT presentation outlining summer program to be sent to David	Emails
04/08/2020		Email/Call	CIRNAC	CIRNAC - Christine Wilson SGC - Marty Tunney	Christine contacted Marty to get the co-ordinates for the field camp so she could visit during her inspection of our project. In a follow-up call she mentioned that she flew over the camp and it was so small that there was no need for inspection.	Marty to send co-ordinates	Emails
04/09/2020		Emails	CIRNAC	CIRNAC - Christine Wilson SGC - Marty Tunney	Christine sent Marty an email requesting a phone call, she said she was in final stages of issuing a report, relaying there are no issues."	just a call, Marty sent Christine an email with number	Emails
08/09/2020		Email/call	CIRNAC	CIRNAC - Christine Wilson SGC - Marty Tunney	Christine and Marty spoke. Christine mentioned during the call and subsequently emailed that casing from 2 2019 drillholes needed to be cut flush to the ground and sent the drill hole identification numbers.	Marty to send Curley construction to complete the work	Emails
18/09/2020- 6/10/2020		Emails	CIRNAC	CIRNAC - Christine Wilson SGC - Marty Tunney	Marty sent photos of the remediation work completed by Curley to Christine. It was determined that during the earlier correspondence with Christine the amount and Identification of drillholes which required casings to be cut was incorrect. After Curley completed a second trip to the field, SGC was notified by Christine that another drillhole required remediation, but as there was no helicopter available for Curley to rectify the situation, it was agreed that all remaining remediation of drillholes would be completed during the 2021 field program,.	Marty to send Curley construction out to trip and recap final hole.	Emails
11/12/2020		Emails	Rankin - Food Hamper/RCMP	RCMP - Hanna SikSik SGC - Marty Tunney, David Fischer	Solstice reached out to the food hamper to offer a \$2500 donation to the food hamper, it provides food to the residents of the community.	David Fischer to make deposit of \$2500	Emails

In. - Barnie Aggark, John Ivey David Kattegatsiak SGC - Marty Tunney, David Fischer	SGC reached out to the community to offer \$2500 to support the community food/other programs during the winter holidays. John Ivey corresponded with us for delivery. Money will be used for food program and Christmas gifts for Children.	David Fischer to send cheque for \$2500	Emails
18/12/2020		Emails	Chest. In. Hamlet	Chest. In. - Barnie Aggark SGC - Marty Tunney	Barnie sent Marty an email requesting a call	Marty to phone Barnie	Emails
20/12/2020		Phone call	Chest. In. Hamlet	Chest. In. - Barnie Aggark SGC - Marty Tunney	Barnie Aggark outlined to Marty a drone mapping program that Chest. In. will be conducting in the summer of 2021. The mapping is part of the package required to enable the community leaders to make decisions in regards to the road that is to be built connecting Chest. In. and Rankin. The photos being taken will also be used as part of the permitting process for the same road. In addition, the program will create jobs and training for a number of High School students from Chest. In., which is a fantastic opportunity for them to get paid hands on training in a high demand field. Barnie requested financial support for the program. Marty said he would talk to the SGC chairman and call Barnie back.	Marty to speak with David and to get back to Barnie	
23/12/2020		Phone call	Chest. In. Hamlet	Chest. In. - Barnie Aggark SGC - Marty Tunney	Marty called Barnie to let him know SGC would be able to contribute \$5k to the program. Barnie was happy with the support and in addition mentioned he was quite supportive of Solstice already and their work program.	David Fischer to work with David Kattegatsiak to transfer \$5k to community	Emails
