Jean-Philippe,

The quarry permit does include the increase in boundary. No further documentation will be required.

Darlene

Subject: RE: Research Facility Environment & Claimate Change Canada - Request for modification to Quarry Permit #2018QP0001

Hello Darlene,

We have one more question regarding this quarry permit: Does this formal authorization include the increase in quarry boundary size as well?

We included new boundary size in our application. Please see attached.

Best regards

Jean-Philippe Cloutier-Dussault
