YES

SCIENTIFIC RESEARCH**Scientific Research:**

s3.9.3: Does the project proposal involve scientific research?

YES

If yes, will the applicant integrate all available and relevant local and traditional knowledge when conducting its research?

YES

Consultation with Nunavut Research Institute:

s3.9.5: Has the applicant consulted with the Nunavut Research Institute about research topics that would benefit or interest local residents?

YES

i. Describe the results of your consultation.

Given the migratory bird nature of the work, an NRI permit is not needed, but the NRI is aware of our activities because of the ongoing nature of the work. NRI staff are partners on other aspects of the seabird project.

Local Services and Local Employment:

s3.9.4: Will the applicant rely on local services and employment where possible?

YES

i. Describe the services retained and the people to be employed.

Only locals will carry out this work, no travel is needed between any communities, or from the south.

Communication on Scientific Research:

s3.2.8: The applicant will, at minimum, translate a summary of its work into Inuktitut and communicate with communities using language that is clear and non-technical. The results of all scientific re

YES
