Comment Deadline: **April 15, 2021**

## PROJECT SCOPE:

The proposed “Quarries in Arctic Bay” project is located within the Qikiqtani (North Baffin) region, within municipal boundaries of Arctic Bay. The Proponent intends to develop three (3) new quarry sites for the community needs. The program is proposed to take place from June 2021 until the aggregates are depleted. The scope of this proposed project as identified by the NIRB includes the following undertakings, works or activities:

- Construction of new quarry sites to access aggregate material for community construction needs;
- Use of equipment including excavator, loader, dump trucks, crusher and screener;
- Use of local fuel to operate heavy equipment and vehicle needs; and
- Reclamation of quarry sites once aggregate resources are depleted by leveling quarry.
