Good morning Emily,

We have taken good note to keep files below 25 MB in the future. Regarding the text you highlighted, its content is correct, does NIRB want us to provide the information differently?

Thank you and kind regards,
Sara

Good afternoon Emily,

Thank you for your message and earlier call. The requested documents have been spilt up in 25MB pieces and re-uploaded on the NIRB portal.

As per results of caribou monitoring activities and dust management practices and monitoring results, they are presented in sections 7.8 and 7.9.1 and their related appendices (Appendices 24, 26-29).

Kind regards,
Sara
