

NOTICE OF SCREENING OPPORTUNITY FOR PUBLIC COMMENT

NIRB File No.: 21KN015

Project Name: The “Lake Hazen Barrel Shed Remediation and Replacement” Project Proposal
Proponent Name: Parks Canada (PC)
Project Type: Remediation Region: Qikiqtani (North Baffin)
Public Registry: www.nirb.ca Application No.: 125594
Comment Deadline: **April 30, 2021**

PROJECT SCOPE:

The proposed “Lake Hazen Barrel Shed Remediation and Replacement” project is located within the Qikiqtani (North Baffin) region, approximately 600 kilometres (km) from Grise Fiord. The Proponent intends to conduct document and dismantle the Lake Hazen Barrel Shed and remove the barrels from the park and to install a storage unit that meets health and safety and storage requirements of the site. The program is proposed to take place from June 2021 to August 2022. The scope of this proposed project as identified by the NIRB includes the following undertakings, works or activities:

- Use of vehicles (ATV, snowmobile, and UTV) for transportation of personnel and equipment;
- Storage and use of fuels at the existing fuel shed or fuel berm within the camp;
- Approximately 100 old fuel barrels and several large pieces of old equipment will be removed from the park; and
- Human waste will be incinerated on site using the existing incinerator.

Please visit the NIRB’s public registry online at the link above and look up NIRB File No.: **21KN015** to access all project information, maps, and public comment forms.

REQUEST FOR COMMENTS

You are invited to provide the NIRB with your comments regarding whether the proposed project is:

- likely to arouse significant public concern and, if so, why;
- likely to cause significant adverse ecosystemic or socio-economic effects and, if so, why;
- likely to cause significant adverse impacts on wildlife habitat or Inuit harvest activities and, if so, why;
- a type where the potential adverse effects are highly predictable and can be prevented/managed appropriately with known technology.

Parties are also invited to recommend any specific mitigation measures they feel would be appropriate, and to bring any other matter of importance related to this project proposal to the NIRB’s attention.

CONTACT INFORMATION

The NIRB has recently launched an updated online public registry, and parties can access project information as well as submit comments directly to the NIRB via www.nirb.ca. Comments can still be submitted directly to the NIRB via email at info@nirb.ca or via fax to (867) 983-2594.

If you have any questions or require clarification regarding the proposed project or the NIRB’s screening process, please contact Mia Otokiak, Junior Technical Advisor, toll-free at 1-866-233-3033 or motokiak@nirb.ca.
