

NOTICE OF SUSPENSION OF PROCEEDINGS

Notice to all participants

Reflecting a change to the COVID-19 public health measures in place in Iqaluit, the Chief Public Health Officer for the Government of Nunavut has ordered the **immediate suspension** of the Nunavut Impact Review Board's (NIRB) Public Hearing in respect of the Phase 2 Development Proposal.

All participants are instructed to isolate in their hotel rooms while the Board and Hotel await further direction from public health authorities. The Board will post further instructions and updates as they are available on the NIRB's Public Registry please visit **www.nirb.ca**. The NIRB staff will also work with the Hotel to contact Community Representatives in their rooms when the Board is able to advise of logistics for meals, continued accommodations and changes to travel.
