Dear Executive Director of NIRB Karen Costello,

I'm writing to you to express my concern about the Nunavut Impact Review Board's (NIRB) decision to deny Uvagut TV the right to:

- 1) rebroadcast the Baffinland hearings during evening and overnight hours so that more Inuit have the opportunity to view them with regard to work, school, childcare and other daytime commitments of many community members and;
- 2) retransmit the Baffinland hearings in Igloolik by DVD, hard drive projection or other technical means, including the eight Formal Interventions broadcast live February 5-6, 2021.

The NIRB public hearings are intended to be just that, public. Preventing the rebroadcasting of the NIRB hearings is an affront to the NIRB's duty to consult, and in particular, the duty to consult with Inuit about what happens on their land.

Please allow Uvagut to rebroadcast and retransmit the Baffinland hearings so that all Nunavummiut have free public access to this decision-making process.

Sincerely,

Hello NIRB Board Members & executive director, and Itsivautalik/Chairperson.

I am extremely happy to learn that Uvagut TV can broadcast the NIRB hearings!

I'd like to make a recommendation to NIRB... I am recommending NIRB creates a Communication Strategy, in collaboration with Inuit... a communication strategy that will guide your organization in its efforts to communicate with the public. A Communication Strategy that is sensitive to the North and Inuit. One that creates public awareness.

The NIRB hearings should always be readily available in all forms to all Nunavummiut and all Canadians.

Nakurmiik,

Lucassie Joamie
