Subject: Re: [EXTERNAL] Request for extension of deadline for Comment Request for Agnico Eagle Mines Limited's Meliadine Gold Mine Project 2020 Annual Report

Hi Emily,
Thanks for your email. In regards to detailed explanation, I want to mention that due to restrictions imposed by soaring COVID-19 situations throughout the country, it took us longer than usual to set a protocol in place and sign up the contract with our external experts to conduct the review. We're afraid that within NIRB's current stipulated time period we might not be able to conduct a thorough and quality review as CIRNAC has always been doing. Hope, NIRB would please be able to consider our extension request.

Please let me know if you've additional questions.
Best regards,
Amal

Hello Amal,

Would it be possible for CIRNAC to provide a more descriptive reasoning for the need of extension for the Board to consider?

If you have any questions please feel free to call me at 1-867-983-4612.

Hi Emily,

Good morning.

The current NIRB deadline for submitting the comments regarding Meliadine 2020 Annual Report review to NIRB is May 25, 2021. To let you know that owing to some unavoidable circumstances, we're afraid that we would not be able to complete our review by the stipulated NIRB submission deadline.

Therefore, CIRNAC wants to request that the comment submission deadline be extended until June 14, 2021. Hope, NIRB would be able to kindly consider our request in order to conduct a thorough review of the assigned Meliadine 2020 Annual Report.

Please let me know if you've any questions.

Best regards,

Amal
