Subject: Additional Submission for

Good Morning Francis and Kelli,
Would it be possible to include this edition of the Nunavut Mining magazine to the Public Registry Package for Solstice Gold.
This edition includes the March interview conducted with Gilbert Aggark who has worked for Solstice as a geological assistant, prospector and wildlife monitor for the last few years (see page 1, 17 and 23).
Thanks very much,
Tara

Tara Gunson B.Sc. P.Geo
