Dear Cassel Kapolak,

Many thanks for contacting me again. I sincerely apologize. I was under the misconception that the forms that I submitted to the Nunavut Planning Commission were being forwarded to the Nunavut Impact Review Board and I had not realized that further information was required by the Nunavut Impact Review Board. I am currently away from my office (visiting my 2 year old granddaughter for the first time in more than a year) and don't have access to my past email. If you could possibly send me the link to the online form I will try to fill it out from here. If this is not possible I will be back to my office by 10 May and will be able to get past emails then.

Again my sincere apologies for my misunderstanding and thank you in advance for your understanding.

Many thanks,

larry
