Good day David,

The NIRB is following up regarding the University of New Hampshire's "HEALY2021 Transit" project proposal. Can you provide an expected date of submission?

If you have any questions or require assistance, please contact the NIRB's Administrative Department at [info@nirb.ca](mailto:info@nirb.ca) or call direct at (867) 983-4605.

Best regards,

Cassel Kapolak

Cassel,

Fully understood. I have found a translation service and I will forward the application as soon as I receive the translations.

Many thanks,  
Larry

I have contacted one translation service (Innirvik Support Services) but have not received a response yet. I am contacting the Dept of Culture and Heritage to see if they can offer other suggestions. My question to you is whether I should submit the application now without the translations or wait till I get them.
