## PROJECT SCOPE:

The proposed “New Temporary Operational Camp at Dundee Bight and Extension for Using Dome Camp as a Secondary Camp” project is located within the Qikiqtani (North Baffin) region, approximately Dundee Bight camp is 193 kilometres (km) from Dome Camp – 220 km kilometres (km) from Resolute Bay. The Proponent intends to conduct a new temporary operational camp at Dundee Bight with hard sided shelters and a bear fence to provide safe accommodation and or shelter for staff, visitors, and community members who are accessing the area for operational, visitation, cultural or emergency purposes. The program is proposed to take place from April 2022 to August 2026. The scope of this proposed project as identified by the NIRB includes the following undertakings, works or activities:

- Use of snowmobiles to access both camp sites in winter;
- Use and storage of fuel within a fuel berm during the months of April, May, June, July, and August;
- After 4 operating seasons, Parks Canada will determine if the area is suitable for a permanent operational base camp; and
- Use of an aircraft to access both camp sites in summer.
