TITLE: HEALY 2021 NWP TRANSIT

### OBJECTIVES OF RESEARCH:

This is a multi-disciplinary research project that will take advantage of the Healy transiting the Northwest Passage from Alaska to Baffin Bay and collect underway data that will contribute to our understanding of the depth of the seafloor and make measurements that will help us better understand climate change and changes in productivity in through the NWP and the Arctic. All measurements will be made while vessel is underway. No samples of the seafloor will be taken.

### TERMS & CONDITIONS:

The holder of the licence will be bound by the terms and conditions of the Nunavut Impact Review Board Screening Decision Report and the Department of Culture & Heritage archaeological sites terms and conditions. The license holder will abide by all special public health protection measures imposed by Nunavut's Chief Medical Officer of Health in response to the Covid-19 Pandemic, including restrictions on non-essential travel to Nunavut. These terms and conditions will form part of this licence.
