Proponent Name: Fisheries and Oceans Canada – Small Craft Harbours
Project Type: Infrastructure Region: Qikiqtani (North Baffin) Region
Public Registry: www.nirb.ca Application No.: 125631
Comment Deadline: **September 14, 2021**

PROJECT SCOPE:

The proposed “Clyde River Small Craft Harbour Development” project is located within the Qikiqtani (North Baffin) region, within the municipal boundaries of Clyde River. The Proponent intends to provide safe and accessible facilities for the community to pursue the local livelihood, including marine fish and mammal harvesting, and provide infrastructure needed to develop commercial fisheries. Construction carried out from 2023 to 2025. The project is expected to be operational in the summer of 2026. The scope of this proposed project as identified by the NIRB includes the following undertakings, works or activities:

- Construction and development of a Small Craft Harbour
- Sourcing fuel locally for fuel use activities during the life of the project
- Sourcing of water locally for the life of the project
- Hazardous harbour infrastructure to be returned to the south in sealed drums and disposed of properly
