Good day Sarah,

I'm just following up on the email from our Administration Department with respect to the Government of Nunavut's (GN) project proposal. Are you able to complete the online application? If not, there is an option to suspend the NIRB assessment until the information is available? There is no penalty for suspension and you may re-engage with the NIRB at any time (up to three years).

If you have any questions or require assistance, please contact the NIRB's Administrative Department at [info@nirb.ca](mailto:info@nirb.ca) or call direct at (867) 983-4605.

Best regards,

Cassel Kapolak  
Environmental Administrator
