Good day David,

Can you please clarify if Agnico Eagle wishes to terminate the project now or at a later date? The NIRB will release an official termination letter when this information is received. In this case the project proposal will have to be re-submitted to the Nunavut Planning Commission for re-assessment. Please note that termination of the project is non-prejudicial and any new application would be treated normally.

If you have any questions or concerns, please contact Keith Morrison, Manager, Impact Assessment at [kmorrison@nirb.ca](mailto:kmorrison@nirb.ca) or call (867) 983-4617.

Best regards,

Cassel Kapolak
