①

- I would like to bring up a concern for NIRB regarding ICA that QIA made. I believe that more consultation is needed from the community of Pond Inlet to better meet ~~the~~ our needs. From the research I have done on ICA document not much of the making of this was known by our community.

Do you have any suggestions or recommendations for this application?

Therefore; I suggest NIRB to push QIA to work more close to Pond Inlet. ~~and~~ I myself have so many questions & concerns about this document. NIRB please study this document closely before making a decision. You will see not much benefit goes to us.

Do you support the project proposal? Yes No Any additional comments?

I DO NOT SUPPORT PHASE 2. ~~not~~ until my community GETS the benefits they deserve since we ARE MOST AFFECTED.
