Good afternoon NIRB staff

My name is Alexander Ootoowak

I am not a lawyer but I am confused why members of the public were not allowed to ask questions about the Baffinland flyers stating what WILL happen if we say NO to phase 2 vs what will happen if we approve put around town and why nirb wouldn't file those papers when asked to do so. Those flyers are felt by many members of the public to be complete blackmail into forcing us to agree to phase 2 when the irreversible damage has already begun in the first phase.

Thank you for your time
