Subject: Request for support

Hello Bridget,

I hope you are doing well since we spoke earlier this year!

As a follow-up to the work we did in June, we are planning to send a small team to Coral Harbour next summer. The team would hold meetings with the community and take trips with local Elders to the Migratory Bird Sanctuaries. To visit the sanctuaries, we need to apply for a permit with CWS. We are looking for the Hamlet's support in this application.

I have attached a letter with more information. If the Hamlet is in support of this fieldwork, we are hoping that you will fill out the section in the letter and return it to us. We must submit this application in early January.

Please let me know if you have any questions, or if there is any additional information we can provide.

Thank you again and hope you are doing well.

Best,
Emily
