You don't often get email from jean-francois.dufour@ec.gc.ca. [Learn why this is important](#)

Hi Emily,

Thanks for reaching out and sorry for the slow reply. I've contacted the ACMC Chair and KivIA CLO in Coral Harbour to see if we can set up a meeting with all ACMC members to discuss this with you. The ACMC hasn't met officially in person or virtually in the last 1.5-2 years since the pandemic started. Last time we held a virtual meeting, all the ACMC members had to cram into the CLO's office around his computer screen. With Coral Harbour returning to "normal" after their recent lockdown, I am just trying to get a pulse on how they would like to safely proceed with ACMC business, and also inquiring about any upgrades to local infrastructure capability for virtual meetings in recent months.

In other words, the Irniurviit ACMC would very much like to hear more about this project, but I am not sure what the best approach is quite yet. I hope to hear more from them later this week or early next week.

Thanks,
JF Dufour

Subject: Trip to Ikkattuaq and Qaqsauqtuuq MBSs

Hi JF,

My name is Emily, and I work for Know History. Chris Grosset is working with us on the CRIIM (Cultural Resource Inventory and Interpretive Materials) project (which he reached out to you about last year).

As part of the project, we hope to organize a trip to Ikkattuaq and Qaqsauqtuuq MBSs for August-

September 2022. The goal is to capture footage of the MBSs and conduct interviews with elders on the land. We were hoping to connect with you and the Irniurviit ACMC to see if you want to partner on this work.

If you are interested, perhaps we could schedule an introductory call next week. We are also happy to present on the project to the ACMC.

Hope to hear from you soon,
Best,
Emily
