Hi Ron,

My name is Emily and I am working on a project with Chris Grosset. Last week he emailed you about storing some equipment at the CLO office. I know Chris emailed back and said we didn't need you to store the equipment, but there was a last-minute change of plans. One package is on its way to you. The tracking number is: 622-21149004.

If you aren't able to store it, please let me know. Curtis Konek will be flying in from Arviat on May 31<sup>st</sup> and will pick it up. I've shared your contact information with him. If you need the equipment gone sooner, please let me know.

Thank you again for agreeing to help us out, we really appreciate it!

Best,  
Emily
