Hello Calvin,

Am I required to have a Community Involvement at this stage? This very small research program will have no lasting community benefits nor will it involve community members (there is absolutely no budget for this).

I've added to the two other objects you asked for.

Thanks,
Jesse

Subject: NIRB 125646: Changes to Application Requested for Pennsylvania State University's "Tree River Geoscience Project" Proposal

25-Jan-2022

Dear Jesse Reimink,

Your project proposal No. 125646 has been reviewed by the Nunavut Impact Review Board (NIRB or Board) and is being returned to you for further editing.

Please log in to your account on the NIRB website at www.nirb.ca to review the changes requested by NIRB.

- Identify Project Authorizations;
- Include Community Involvement; and
- Include Accommodations.

Best regards,

Calvin Ehaloak
Environmental Administrator
