Hi Mia,

Many apologies for that error. The project will be between 12-15 days, total time spent in Nunavut.

We will be doing day trips from the Tree River Lodge and/or Kugluktuk, not camping in remote locations.

Thanks,
Jesse

Subject: NIRB 21YN043: Clarification

Good morning Jesse,

My name is Mia Otokiak and I am the Junior Technical Advisor assigned to your NIRB Screening File Number 21YN043.

After reviewing your project materials I just have a couple clarification questions before moving forward in the Screening process.

1. In the NIRB Application it is stated that the project will be between 8-10 days and in the Project Description it is stated that the project will be between 12-15 days. Can you please clarify exactly how many days the project will be?
2. Can you please confirm that you will be doing day trips from the Tree River Lodge and/or Kugluktuk and not camping at the Lodge for the life of the project?

Once I have this information we can move forward in the Screening process.

Please be advised to cc info@nirb.ca in all future correspondence.

Thank you for taking the time!

Best regards,

Mia Otokiak

Junior Technical Advisor
