YES

SCIENTIFIC RESEARCH

Scientific Research:

s3.9.3: Does the project proposal involve scientific research?

YES

If yes, will the applicant integrate all available and relevant local and traditional knowledge when conducting its research?

YES

Consultation with Nunavut Research Institute:

s3.9.5: Has the applicant consulted with the Nunavut Research Institute about research topics that would benefit or interest local residents?

YES

i. Describe the results of your consultation.

Mosha Coté suggested we apply to NRI as soon as possible because this is a new project. We submitted our application.

Local Services and Local Employment:

s3.9.4: Will the applicant rely on local services and employment where possible?

NO

ii. If no, explain why it is not possible.

The location of the study area in northernmost Nunavut and very short field season (2 weeks) made it challenging to hire guides from Grise Fiord or Resolute.

Communication on Scientific Research:

s3.2.8: The applicant will, at minimum, translate a summary of its work into Inuktitut and communicate with communities using language that is clear and non-technical. The results of all scientific re
