Subject: NIRB 22YN021: Clarification
Date: April 21, 2022 11:17:19 AM

Good morning Cortney,

My name is Mia Otokiak and I am the Junior Technical Advisor assigned to your NIRB Screening File which has been numbered: 22YN021.

After reviewing your NIRB Application I just have a couple clarification questions:

- What instruments will you be using to collect tissue samples from the whales?
- How will you be taking the tissue samples?

Once I have this information I can move forward in the NIRB Screening Process.

Please be advised to cc info@nirb.ca in all future correspondence.

Thank you for taking the time!

Best regards,

Mia Otokiak
