

NOTICE OF SCREENING OPPORTUNITY FOR PUBLIC COMMENT

NIRB File No.: 23YN017

Project Name: The “**Bedrock Mapping of Angiktuni Lake**” project
Proponent Name: Canada-Nunavut Geoscience Office
Project Type: Research Region: Kivalliq
Public Registry: www.nirb.ca Application No: 125785
Comment Deadline: **May 15, 2023**

PROJECT SCOPE:

The proposed “Bedrock Mapping of Angiktuni Lake” project is located within the Kivalliq region, approximately 300 kilometres (km) from Arviat. The Proponent intends to conduct a geological survey of Angiktuni Lake and surrounding areas. The program is proposed to take place from July 10-31, 2023. The scope of this proposed project as identified by the NIRB includes the following undertakings, works or activities:

- Construction of a temporary field camp;
- Collection of rock samples using a sledgehammer;
- Use of a water pump to retrieve 130 L of water per day from Angiktuni Lake;
- Use of a diesel generator to power the camp;

Please visit the NIRB’s public registry online at the link above and look up NIRB File No.: **23YN017** to access all project information, maps, and public comment forms.

REQUEST FOR COMMENTS

You are invited to provide the NIRB with your comments regarding whether the proposed project is:

- likely to arouse significant public concern and, if so, why;
- likely to cause significant adverse ecosystemic or socio-economic effects and, if so, why;
- likely to cause significant adverse impacts on wildlife habitat or Inuit harvest activities and, if so, why;
- a type where the potential adverse effects are highly predictable and can be prevented/managed appropriately with known technology.

Parties are also invited to recommend any specific mitigation measures they feel would be appropriate, and to bring any other matter of importance related to this project proposal to the NIRB’s attention.

CONTACT INFORMATION

The NIRB has recently launched an updated online public registry, and parties can access project information as well as submit comments directly to the NIRB via www.nirb.ca. Comments can still be submitted directly to the NIRB via email at info@nirb.ca or via fax to (867) 983-2594.

If you have any questions or require clarification regarding the proposed project or the NIRB’s screening process, please contact Leah Klaassen, Technical Advisor II toll-free at (867) 983-4603 or lklaassen@nirb.ca.
